PBN opens a new sales office in America

Melbourne, Australia, 1 April 2009 - PBN is pleased to announce the opening of a new sales office located in Orlando, Florida. The office will be fully functional effective from 1 April 2009.

The new office will enhance the company's current operations in America and is a vital link to building upon and improving customer service. This initiative is significant and is in line with the company's plans for expansion. The office is responsible for business development, building brand awareness, managing regional operations and most importantly for supporting existing and new customers in America.

The new office will be run by Mr. Sam Tagliavore, the Sales Manager for PBN Americas. He can be contacted by phone 703-579-6777 or email stagliavore@pbnamericas.com.

The new office is located at 801 International Parkway 5th Floor, Heathrow, Orlando, FL 32746, USA. The team at PBN Americas can be contacted by phone 877-PBN-FTTX or email sales@pbnamericas.com.

About PBN

PBN is a leading supplier of advanced optical broadband access products and solutions. The extensive product line enables Network Operators to bridge the gap between existing and emerging technologies. PBN is well-known globally for its innovation and expertise in offering advanced fibre optic products and solutions with the capabilities to transport bandwidth intensive applications. PBN provides comprehensive broadband distribution and access solutions to tens of millions of subscribers served by hundreds of headend facilities worldwide. PBN's headend equipment, network management and access products are suitable for HFC, FTTH, RFoG, Ethernet and DOCSIS applications. PBN uniquely offers its customers One Platform, One Solution!

PBN has a state-of-the-art research and development facility in Melbourne (Australia) and now in Beijing (China). PBN's offices are in Australia, China, Europe and the Americas. PBN is also well represented by channel partners globally. For more information about the company, the people, the products and the solutions, please visit www.pbnglobal.com.
