Visit PBN at the SCTE Cable-Tec Expo '09

Melbourne, Australia, 16 October 2009 - PBN, a leading supplier of end-to-end optical broadband solutions, will exhibit at the SCTE Cable-Tec Expo '09. This year the exhibition is being held at the Colorado Convention Centre in Denver, 28~30 October 2009. PBN can be located at stand 8053.

PBN is extending an invitation to you for a free opportunity to check out our products and solutions during the show. By visiting www.pbn.com.au and following the instructions for Cable-Tec, you can pre-register online for a free guest pass. You will receive a barcode receipt, which will provide you with quick entry into the show.

A number of representatives will be present to welcome you to our stand. They will be available to answer any questions that you have. PBN is well positioned to provide you with information and updates about products and solutions that are currently helping to shape the future of the information and entertainment industry.

PBN will take this opportunity to display a number of new products that have not been shown in the Americas. The new products that will be displayed during the exhibition are:

- **GEOLT** A Gigabit Ethernet Optical Line Terminal delivering Fibre to the Home for 512 subscribers in a high density, yet compact unit.
- **LTE153-8000** An Externally Modulated Laser Transmitter designed to deliver optimum performance on long haul applications or passive optical networks with standard fibre.
- **NMS3-EPSM** A latest software development to simplify the configuration and provisioning of Gigabit Ethernet Passive Optical Networks and connected subscriber modems (ONU).
- **ODN-RFoG** An Optical Distribution Node for Radio Frequency over Glass (RFoG) solutions.
- **QOLTM** A Quad Optical Line Terminal Module designed to form part of a migration path from HFC to FTTx over one platform.

Register for your chance to win. While you are visiting the PBN team at stand 8053, don't forget to register for your chance to win a Personal Navigation GPS System by just simply leaving your business card with one of our Representatives.
